Being overshadowed by Ha Long Bay to the north, Cat Ba Island is often left out of the itineraries of the majority of travellers coming to Viet Nam. Nevertheless, Cat Ba Island is one of the most underrated destinations in Viet Nam.

The massive island of Cat Ba is a fantastic destination for eco-tourism and adventure activities in Northern Viet Nam. Cat Ba National Park, which was established on 31st March 1986 is one of the most ecologically diverse national parks in Viet Nam. The park possesses seven different ecosystems, both underwater and inland. It is home to thirty-two types of mammals, along with seventy bird species, and more than a thousand species of plants, hundreds of which can be used as medicines. There are several different hiking and trekking routes through rugged and forested mountains within Cat Ba National Park. These routes are also divided by different levels of difficulty, so travellers don't have to worry if their fitness is not very good. In addition, travellers can take a side visit to explore the exquisite Trung Trang cave or discover the traditional village of Viet Hai.
