| 4. owner (n)     |  | <b>lò sưởi, bếp lửa</b>  |

# READING

**2** Read the passage and tick T (True) or F (False)

| Statements                                                                   | True                                                                                  | False                                                                               |
|------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 1. Only a few minority groups live in stilt houses.                          |                                                                                       |  |
| 2. All stilt houses look alike.                                              |                                                                                       |  |
| 3. Family gatherings take place by the open fire in the middle of the house. |   |                                                                                     |
| 4. The <i>Rong</i> house serves as the centre of an Ede village              |  |                                                                                     |

# READING

**3** Read the passage again and fill in each blank with one word.

1. A stilt house shows the traditional culture of the owner.
2. The Tay's and Nung's stilt houses overlook a field.
3. The Thai's stilt houses overlook a forest or mountains.
4. The largest and tallest house in an Ede village is the Rong house.

# SPEAKING

**4** Work in pairs. Discuss and tick (✓) the features of a stilt house from the list below. Share your opinions with the class.

A stilt house \_\_\_\_\_.

- has a flat cement roof
- stands on big posts
- is made from natural materials
- has a modern toilet
- is a flat in a big block
- is close to nature

# SPEAKING

**5** Work in pairs. Ask and answer about the type of home each of you lives in. Take notes of your partner's answer and report what you find to the class.

1. What type of home do you live in?

2. What materials is it made from?

3. What is the most important part of your home? What do you do there?

| Name | Type of house | Material         | Important part of the house – Activity    |
|------|---------------|------------------|-------------------------------------------|
| An   | a flat        | brick and cement | living room – watching TV with the family |
|      |               |                  |                                           |

# CONSOLIDATION
