CULTURAL DIFFERENCES AT THE DINNER TABLE

In some cultures, when you are invited to (31)..... a meal at someone's house, you might be considered rude if you don't say how nice the food is. In Britain, for example, it's normal for someone to complement the cook (32)..... the tastiness of the meal. You can say something like, 'That was delicious. Do, please write the recipe down (33)..... me!'

If you are not sure how to react, the best advice is to wait and (34)..... how the other people at the table react. If that doesn't help, be very careful (35)..... what you say! I would suggest that one solution could be to say. "That was delicious, but then I know it would be!"
