* Read the passage and choose the correct answer for each sentence:

The latest addiction to trap thousands of people is the Internet, which has been blamed for broken relationships, job losses, financial ruin, and even suicide. Psychologists now recognize Internet Addiction Syndrome (IAS) as a new illness that could cause serious problems and ruin many lives. IAS is similar to other problems like gambling, smoking and drinking: addicts have dreams about the Internet; they need to use it first in the morning; they lie to their parents and partners about how much time they spent online; they

wish they could cut down, but are unable to do so. A recent study has found that many users spend up to 40 hours a week on the Internet. Some of the addicts are teenagers who are already hooked on computer games and who find it very difficult to resist the games on the Internet.

Question 35. What is the best title of the passage?

- A. A guide to the Internet B. The advantage of the Internet
C. Impact of Internet on teens D. Hooked on the Net

Question 36. According to the writer, internet addiction _____.
