**II. Read the following passage and mark the letter A,B,C,D to indicate the correct answer to each of the questions .**

About half the young people in America are heavier than they should be. That's because they eat the wrong food, or they eat too much or too often. Or all three! American doctors keep warning about 'overweight kids' and some things are changing, very slowly. However, a lot of habits are very hard to change. Fast Food restaurants, for example, are as popular as ever, at all times of the day. Hot dogs, hamburgers and French fries are still the most popular things to eat. The problem is that they are high in calories and fat. But eating too much is not the only reason why people get fat - drinking too much has the same effect. In summer it's so easy to drink too much. In America people drink lots of soda pop, such as *coke* and *7Up*. But each small soda contains spoonful of sugar. No wonder people get fat!

37. What do the American doctors keep warning?  
 A. Underweight kids    B. overweight kids    C. lazy kids    D. healthy kid
38. What is **NOT** one of the most popular fast foods?
