| Question 15. Cho      | ose the word that is <b>OPP</b>         | <b>POSITE</b> in meaning to the | e underlined part in each of the   |
|-----------------------|-----------------------------------------|---------------------------------|------------------------------------|
| following sentence    |                                         |                                 |                                    |
|                       |                                         | an living in the countrysi      |                                    |
| A. boring             | 8                                       | C. normal                       | <b>D.</b> fabulous                 |
| Question 16. I wis    | sh my parents could put t               | hemselves in my                 |                                    |
| A. feelings           | <b>B.</b> situation                     |                                 | <b>D.</b> heart                    |
| II. Choose the und    | derlined word or phrase,                | A, B, C or D that needs         | correcting. (1 pt)                 |
|                       | one could explain why to                | come there.                     |                                    |
|                       | B. there                                | C. explain                      | <b>D.</b> why                      |
| Question 18. They     | wanted to know how m                    | uch could you pay for it.       |                                    |
| A. wanted to kn       | ow B. how much                          | C. could you                    | <b>D.</b> for                      |
| Question 19. Lond     | don is much more exciting               | g as I expected.                |                                    |
| A. much               | B. exciting                             | C. expected                     | <b>D.</b> as                       |
| Question 20. Alth     | ough he <u>was</u> tired, <u>but</u> he | still went to work yester       | day.                               |
| A. but                | <b>B.</b> was                           | C. went                         | <b>D.</b> to work                  |
| C. Reading: (2.5 p    |                                         |                                 |                                    |
| I. Read the follow    | ing passage and then che                | oose the best answer to c       | omplete the passage (1.25 pt)      |
| Hello! My             | name is Herman. I live ir               | n a big city in Germany (       | 21) it's quite exciting            |
| There are lots of t   | hings to do. My parents                 | bought a flat near a park       | k where I can ride my bike or go   |
| skateboarding. My     | brother is (22)                         | than me so I also go            | to the cinema with him. The cit    |
| library is a great p  | place too. I usually meet               | my friends there and w          | e do our school projects or stud   |
| together. Of cours    | e, living in a big city is              | s not easy. City life can       | be fast, tiring and stressful. The |
| streets are always    | (23) and no                             | isy. Because of the cars        | s, the air is polluted sometimes   |
| People are so busy    | that they (24)                          | have time for their neighbors.  | hbours or friends. But I can't see |
| myself moving to t    | he (25)I just l                         | ove living in the city too      | much.                              |
| Question 21.          |                                         |                                 |                                    |
| A. and                | B. but                                  | C. so                           | <b>D.</b> or                       |
| Question 22.          |                                         |                                 |                                    |
| A. old                | B. older                                | C. more old                     | D. age                             |
| Question 23.          |                                         |                                 |                                    |
| A. bored              | B. surprised                            | C. exhausted                    | D. crowded                         |
| Question 24.          |                                         |                                 |                                    |
| A. usually            | B. rarely                               | C. often                        | <b>D.</b> always                   |
| Question 25.          |                                         |                                 |                                    |
| A. university         | <b>B.</b> building                      | C. mountain                     | D. countryside                     |
| II. Read the passag   | ge and choose the best ar               | nswer for the questions (       | (1.25 pt)                          |
| You can do            | a few things to make ho                 | mework less stressful. Fi       | rst, be sure you understand what   |
| you have to do in y   | our assignment. Write it                | down in your notebook if        | f you need to, and don't be afraid |
| to ask questions ab   | out what is expected.                   |                                 |                                    |
| Second, use           | any extra time you have                 | at school to work on you        | r homework. Many schools have      |
| libraries that are sp | ecifically designed for str             | udents to study or to get t     | heir homework done.                |
| Third, pace           | yourself. You need to pla               | in your time. If it is a hear   | vy homework day, you will need     |
| to devote more tim    | e to your homework.                     |                                 |                                    |
|                       |                                         | e first person you shoul        | d ask for help is your teacher.    |
| Sometimes, it is go   | ood to have someone ex                  | plain something that you        | are not completely sure of. In     |

| Question 13. The artisan this statue in bronze.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |     |
| A. knitted B. carved C. moulded D. cast                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |     |
| Question 14. I knew that he a very clever man.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |     |
| A. will be B. has been C. is D. was                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |

| Question 15. Choose       | the word that is <b>OPPOSI</b> | <b>TE</b> in meaning to the una | lerlined part in each of the   |
|---------------------------|--------------------------------|---------------------------------|--------------------------------|
| following sentence.       |                                |                                 | T and an establish established |
| I think living in the cit | ty is more exciting than li    | ving in the countryside         |                                |
| A. normal                 | <b>B.</b> boring               | C. fabulous                     |                                |
| Question 16. They ha      | ve a new washing machin        | e but they don't know ho        | W                              |
| A. to operate             | B. operate                     | C. operated                     |                                |
| II. Choose the underly    | ined word or phrase, A, 1      | B, C or D that needs corr       |                                |
| Question 17. Although     | h he was tired, but he still   | went to work yesterday.         |                                |
| A. to work                |                                | C. went                         | D. was                         |
| Question 18. No one       | could explain why to com       | e there.                        |                                |
| A. there                  | B. explain                     |                                 | D. No one                      |
| Question 19. They wa      | nted to know how much          | could you pay for it.           |                                |
| A. how much               | B. could you                   | C. wanted to know               | <b>D.</b> for                  |
| Question 20. London       | is much more exciting as       | I expected.                     |                                |
|                           | B. expected                    | C. as                           | D. much                        |
| C. Reading: (2.5 pts)     |                                |                                 | 1                              |
| I. Read the following     | passage and then choose        | the best answer to comp         | lete the passage (1.25 pt)     |
| Hello! My nam             | e is Herman. I live in a b     | ig city in Germany (21)         | it's quite exciting            |
| There are lots of thing   | gs to do. My parents bou       | ght a flat near a park wh       | ere I can ride my bike or g    |
| skateboarding. My bro     | other is (22)                  | than me so I also go to the     | ne cinema with him. The cit    |
| library is a great place  | e too. I usually meet my       | friends there and we do         | our school projects or stud    |
| together. Of course, li   | iving in a big city is not     | easy. City life can be f        | ast, tiring and stressful. Th  |
| streets are always (23    | 3)and noisy.                   | Because of the cars, the        | e air is polluted sometimes    |
| People are so busy that   | t they (24)hav                 | ve time for their neighbor      | urs or friends. But I can't se |
| myself moving to the (    | (25)I just love                | living in the city too muc      | h.                             |
| Question 21.              |                                |                                 |                                |
| A. and                    | B. but                         | C. so                           | <b>D.</b> or                   |
| Question 22.              |                                |                                 |                                |
| A. old                    | B. older                       | C. more old                     | D. age                         |
| Question 23.              |                                |                                 |                                |
| A. bored                  | B. surprised                   | C. exhausted                    | <b>D.</b> crowded              |
| Question 24.              |                                |                                 |                                |
| A. usually                | B. rarely                      | C. often                        | <b>D.</b> always               |
| Question 25.              |                                |                                 |                                |
| A. university             | <b>B.</b> building             | C. mountain                     | D. countryside                 |
| II. Read the passage a    | nd choose the best answe       | er for the questions ( 1.25     | (pt)                           |
| You can do a fe           | w things to make homew         | ork less stressful. First, b    | be sure you understand what    |
| you have to do in your    | assignment. Write it dow       | n in your notebook if you       | need to, and don't be afraid   |
| to ask questions about    | what is expected               |                                 |                                |

Second, use any extra time you have at school to work on your homework. Many schools have libraries that are specifically designed for students to study or to get their homework done.

Third, pace yourself. You need to plan your time. If it is a heavy homework day, you will need to devote more time to your homework.

Whenever you need some help, the first person you should ask for help is your teacher. Sometimes, it is good to have someone explain something that you are not completely sure of. In

addition, you might also be able to get some help from another student. If there is a friend who is a good student, think about asking that person to study with you. Question 26.
