Read the passage and choose the correct answer to each of the questions.

English is my mother tongue. Besides, I can speak French and Spanish. I studied the two languages when I was at high school. Now, I am still learning Spanish at the University. As for me, mastering a foreign language is not easy. After studying a language, practice is very necessary and useful. Travelling to the country where the target language is spoken is very helpful, but if you cannot speak the language well enough you will certainly have troubles. I also frequently go to the movies, watch television, listen to the radio in the language I am trying to learn. Reading is another good way to learn. Books are good, but I personally think newspapers and magazines are better. However, getting some knowledge of the language is the most important thing. Grammar and vocabulary should be mastered first.

36. How many languages can the writer speak?
 A. 1 B. 2 C. 3 D. 4
37. The writer has learnt Spanish _____.
 A. in Spain B. at high school C. at university D. B and C
38. Travelling can cause troubles if _____.
A. you cannot speak the language well enough B. you can speak the language well enough
 C. you can speak the language badly enough D. you can communicate in the target language
39. Some useful ways to practice your target language are _____.
 A. listening to the radio and watching TV in the language B. reading books in the language
 C. seeing films in the language D. all are correct
40. The most important thing is _____.
 A. mastering grammar and vocabulary B. getting some knowledge of the language
