A cartoon boy with brown curly hair, wearing a green headband and a yellow basketball jersey with the number 5, is dribbling an orange basketball. He is smiling and looking towards the right. In the background, there is a basketball hoop with a yellow backboard and a green net. The backboard has a yellow rectangle in the center containing the equation 72 : 8. The scene is set outdoors on a basketball court with a wooden floor, surrounded by a green fence and trees under a blue sky with white clouds.
