How are you? How was your weekend?
I had a great weekend with my friends. We had a sleepover at my friend Betty's house. We talked about many things and had a great time. We also watched a movie and made some paper crafts. It was a lot of fun.
In the USA, children like having sleepovers. We also like going bowling and camping. My friends and I go bowling and have a sleepover every month. We go camping a few times a year.

Dear Minh,

How are you? How was your weekend?

I had a great weekend with my friends. We went camping at a park near my house. We saw lots of pretty birds and flowers. We also had a barbecue in the evening. After that, we listened to music and sang. It was really fun.

In New Zealand, children like going camping and going for walks. I usually go for walks in the afternoons, and my family goes camping every month. We also like playing in parks.

What do children in Vietnam like doing in their free time? Write to me.
