Have I got any hobbies? Well, I like playing the guitar, but I'm not very good at it! On Mondays, I have a music lesson with my teacher, Mr. Pane. On Tuesdays, I love going ice-skating with my friends. It's cold there, but it's fun! On Wednesdays, I don't go out. I often stay at home and read my comic books. *Asterix* is my favourite because it's very funny! On Thursdays, I go to Jim's house. We look at his stamps. He's got some amazing stamps. He enjoys collecting stamps from different countries. And on Fridays? On Fridays, I stay at home and watch TV!

An illustration of six diverse children of various ethnicities and ages holding hands in a circle around a stylized Earth globe. The globe shows green continents and blue oceans. The children are smiling and looking towards the center. The background is a light blue sky with white clouds and small white stars. Two green leafy branches are positioned on the left and right sides of the globe. A large white banner with a blue border is centered across the middle of the image, containing the text 'Thank you & goodbye!' in a yellow, rounded, sans-serif font.
