Bài 11: Bé hãy nối những đồ vật với màu sắc tương ứng với chúng.

The image shows a matching exercise. On the left, there are five boxes containing illustrations of objects: a red jacket, a yellow shirt, a pair of blue socks, a green frog, and a pair of purple shoes. On the right, there are five color swatches: red, purple, green, blue, and yellow. A dashed line connects the yellow shirt to the yellow color swatch.
